CHUỘT MICKEY

Chú chuột thời tiền sử

Người dịch: NGUYỄN TƯỜNG MINH

1. On an expedition to Greenland with Doc Static, Mickey uncovers a prehistoric cave mouse frozen in a block of ice! They bring it back to Duckburg to study, but Goofy accidentally throws the ice and the cave mouse escapes! His appearance in downtown Duckburg leads

to world-class chaos, and Mickey just barely manages to calm down his very distant ancestor! And then the cave mouse spots Clarabelle —

2. Screech! Help!

3. Hurry, Mickey! We've got to rescue poor Clarabelle!

4. Can't anyone stop him? Can't anyone

save me! Boo-hoo-hoo!

5. Fiona's Floral Fantasies

6. SCREECH!

7. Is this to be my fate? To be manhandled by a savage?

8. SMASH!

9. Flowers? For me? How nice!

10. Uh... that's nice... I guess.

11. There they are!

12. Oh, I hope the brute hasn't hurt her!

13. Ooh!

14. >Groan!< There they go again!

15. Don't just stand there, Mickey! He's taking her to the Umpire Skate building!

16. I knew it, I just knew we were stuck in a movie! Only now.

17. "...it seems to be a remake of King Kong!"

18. AAROOO!

19. What a man!

20. That does it! I'm calling the police! They'll know how to deal with that hairy kidnapper!

(*) Một bộ phim khoa học giả tưởng của Mỹ với nhân vật khi dơi King Kong có sức mạnh ghê gớm, tàn phá thành phố

21. Wait, Minnie! They might hurt him, and he really doesn't mean any harm — he's just out of his time!
Well, then figure out some way to send him back to his own time, Mr. Smarty Pants!
23. Uh... er...
24. Hm... some time ago I did invent a time ray that could do just that!

25. That's great! We can use it to send my prehistoric ancestor back home!
26. The problem is, it only works one way! And since it sends objects into the past, I have no way to find out if it works!
27. C'mon, Doc! I'm disappointed in you! Any fourth grader could tell you how to test it!
28. Back at Doc Static's lab —

29. See, if we absolutely vow that in exactly five minutes from now, we'll send your windometer back in time five minutes...
30. ...it'll reappear now!
31. Now that we're sure the time ray works, we can use it to send the cave mouse back into the past!
32. Not so fast, Doc! We haven't finished the test yet!

33. We still have to wait five minutes and send the windometer back in time -- or else we'll never have tested the ray!

34. My word! You're right!

35. Okay... now!

36. ZUMMM!

37. Now we can go rescue Clarabelle!

38. But now how will I get my windo-meter back?

39. Minutes later --

40. Mmm!

41. Darling, not everyone will understand us!

42. There he is!

43. GRAARR!

44. But I'll stick by you, my best friend!

45. So long, uncle! Bon Voyage!

46. STOP!!

47 AAROO!
48 Whoaaa!
49. You brutes! I won't let you hurt him!
50 For crying out loud, Clarabelle! We don't want to hurt him! We just want to send him home!

51 And did you bother to ask him if he wants to go back to wherever it is?
52. Well, no... he's kinda hard to talk to!
53 Really? Well, I understand him perfectly! His home is with me now!
54. Awpl
55 There must be some way to convince

Clarabelle that cave mouse should go home!
56. Ha! You can't tell Clarabelle anything when she's got a man on her mind!
57 True... but maybe we can make her see that she doesn't really want him after all!

58. Not much later --

59. >Urg!<

60. >Sigh<

61. Message for Miss Clarabelle! Special Delivery!

62. Really? I wasn't expecting anything!

63. Dear Clarabelle,

We are sorry for the way Mickey treated you and hope that you and your friend will join us for a formal dinner tonight at 8.

Your pals,

Mickey & Minnie

64. What a pleasant change in attitude! Tell them I accept!

65. What? No tip?

66. Formal, eh? Hmm...

67. Darling, I think we have a little work to do!

68. Ugh!

69. Now don't fuss, dearest! In a few minutes, you'll be just as suave and sophisticated as a movie star!

70. And so —

71. We're delighted you could make it on such short notice!

72. And we're so happy we could come!

73. Urg!

74. The main course, of course!

75. How nice! Darling, would you like to carve?

76. Yum!

77. URP!

78. Well?

79. So he's not perfect! But he's my best friend!

80. Dam it, Clarabelle! We were hoping you'd think he was such a slob that you'd let us send him back in time!

81. Well, I never! I'll have you know his manners are much better than yours, Mickey Mouse! And Minnie! I thought you were my friend...

82. FWOP!

83. Mmm!

94. Darling!

85. Mureek!

86. What's that you're saying? It's the hat you love, not me?

87. Send him back! >Sob! Sob!< I

never want to see him again!

88. Okay, Professor Static!

89. Got it right here, Mickey!

90. Urk!

91. Take care, cousin!

92. ZUMMM!

93. There, there, Clarabelle! It's better this way!

94. Oh, I realize that now, Minnie.

95. But that's the last time I'll trust your taste in hats!

96. My taste?

97. Ha ha ha!

Trò chơi điện tử ma quái

Người dịch: PHAN VIỆT DŨNG

1. Bằng một âm mưu nhằm chiếm đoạt đồng xu may mắn của bác Scrooge, mụ phù thủy Magica de Spell bẫy ông ta vào trong một trò chơi vi tính thực tế ảo do mụ dùng pháp thuật chế tạo. Donald và các chú bé đi vào trò chơi tìm bác Scrooge. Thình lình, mụ Magica xuất hiện và trò chơi trở nên vô cùng rùng rợn...

2. Ôi trời! Giờ mình làm gì đây?

3. Tìm kiếm mấy vi tính gần nhất và chui vào trò chơi khác nhé?

4. Thôi, chạy trốn đi!

1. In yet another ploy to acquire Uncle Scrooge's lucky dime, Magica de Spell traps him in a virtual reality computer game, doctored by her magic. Donald and the boys enter the game, too, and go in search of their uncle. Suddenly Magica herself arrives and the game turns very nasty. 2. Oh, boy! Now what do we do? 3. Find the nearest computer shop and get into another game? 4. Well, let's run for a start!

5. Hi hi! Đừng hòng chạy thoát! Hãy bao vây chúng lại, lũ quái!

6. Áááá!

7. Ôiiiii!

5. Hee, hee! There's no getting away! Round them up, chaps! 6. Yaaahhh! 7. Ohhhhh!

8. Caaap!

9. Iii-daaaaa!

10. Mang chúng về lâu đài!

8. Waaaakk! 9. Yllii-aaakk! 10. Now bring them back to the castle!

11. Chẳng bao lâu...

12. Nơi đẹp lắm! Bỏ chúng tao không thể nhàn mi trong đó sao?

13. Tốt nhất là vĩnh viễn!

14. Ô, hãy cố tỏ ra đáng hoàng đi, lũ nhóc! Ta đã rất tử tế khi mang lũ bay đến đây! Ta đang chờ lũ bay đoàn tụ với Đắc của tui bay đội! Như vậy là ta tử tế lắm rồi phải không?

15. Này, Eliza! Có tin gì vậy?

16. Lão vịt già vẫn không chịu tiết lộ mặt! Tui phải khen ngợi hân! Hân đừng một tay khó chơi!

17. Hân sẽ phải khai ra khi hân thấy những đĩa châu yêu quý của hân để đo lường hân ra đây!

11. Soon — 12. Nice place! Couldn't we just look you up in it? 13. Preferably forever! 14. Oh, do try to be sociable, boys! I'm being so nice to you, bringing you here! I'm re-uniting you with uncle! Isn't that nice of me? 15. Now, Eliza! What news? 16. The old duck still hasn't spilt the beans! I must give him credit! He's a tough old one! 17. He'll sing like a canary when he sees his precious nephews threatened! Go fetch him!

18. Ô...! Sẵn sàng vui thêm chút nữa chưa, hã cưng?

19. Cút đi, mu gia ghê lắm!

20. Ô, như thế đâu phải là can đảm! Giờ hãy đi theo ta đến nhà bếp!

21. Nhà bếp hả? Bỏ mi định cho ăn hả? Ý mi nói là mi cũng có chút lòng hào hiệp ư?

18. Coo-ee! Ready for a little more fun, sweetie? 19. Go take a running jump, you dreadful crones! Oh, that really isn't the spirit! Now come along to the kitchens with me! 21. Kitchens? You're going to feed me? You mean there's an ounce of generosity in you?

22. Măm! Mây trái cam ngon quá! Giờ ta sẽ thêm vào vài chú vịt con mềm mại!

Cái gì?! M...mi muốn nói...?

24. Đưa nào trong bọn bay thích nhảy vô trước hã?

Kh... không!! Không được bắt cháu tại! Cái... cũng được ngoại trừ điều đó!

Mmm! The oranges are doing nicely! Now to add some tender young ducks! 23. What?! Y-you mean...? 24. Now which of you would like to jump in first? 25. N-no! N-not my nephews! Anything but that!

26. Then how about a certain combination? 27. Ohhh! I-I might have known it! H! It's... bzz... bzz...

29. Hee-hee!! Victory! Now to get the lucky dime, take it back to my lair and melt it down into an amulet! 30. So you'll be leaving? What should I do with the prisoners?

31. Frankly, my dear, I couldn't give a dash! Bye-eee. all! 32. FLASSHH! 33. Soon — 34. There! Hee, hee! That's the end of them! Unless this disc is in the computer, they can't possibly come back into reality!

35. Meanwhile — 36. Maybe I should cook them up in a duck or orange after all! 37. I remember this bit of the film! I know exactly what to do! 38. Say! I've got a suggestion! Why don't we become your bakers? 39. Well, all right! But I warn you! I know that story about the kind old evil witch being pushed into a big blob of dough and then baked! Don't try that lark on me!

40. A little later — 41. Well? That's the loaves baked! Now what? 42. I - er - I'm working on it! 43. Here! Let me try one of those!

44. Owuuli! 45. Well, I'll be doggoned! They're hard as rocks! 46. SNAP! 47. So here's what we do! 48. We make tracks!

51. Soon afterwards — 52. Just what we needed! Let's go! 53. FLYING BROOMSTICKS 54. Ha! Ha! Ha! Pretty nifty, eh? And a lot faster than those flying monkeys, too!

55. A crystal city? What happens there? 56. We're off to see the wizard! Surely he must live here! 57. Fine with us, so long as you don't try to sing!

58. Before long... 59. Here we are! His palace! But be on full alert! As we're still in Magica's doctored computer game, it's very likely the wizard is a nasty piece of work! 60. Possibly! But he's the only person who might have a clue as to how to get out of this wretched game! And, anyway, in the movie, he didn't have any real magic anyway! 61. He has now! 62. How dare you disturb me?! 63. Uh! 64. Er, we came to see if you were any great shakes as a wizard! Someone said you were nothing compared to the mighty Magica! 65. Who? I'm the best!

66. And I'll prove it! By pulverising this Magica! Now where is she?! 67. Well, we'll be more than happy to show you! But you'll have to magic us home to Duckburg first! 68. No problem! 69. Hold on to your hats! 70. FLAAASSHH! 71. Moments later— 72. Wow! We're here! Back at the moneybin attic! We did it! 73. No, you didn't! I did it! Now where's this Magica? 74. Cor! Look! She even threw the disk on the floor! If it'd had broken, it would've been curtains for us!

75. Mmm! Better take it with us! 76. Where is this Magica?! I demand to know! 77. (Gulp!) She'll be hightailing it back to her hide-out! Could you make sure we catch up with her as soon as possible? Please? Extra special pretty please?

78. At once! 79. What the... 80. Oh, boy! He's sure some wizard! He's turned the old attic carpet into a magic carpet! 81. Upon my soul! This could be most profitable business, my man! Turning out carpets into holiday travel and... 82. (Quiet! Which way?)!

83. A little later — 84. Turn left at the Alps! Step on it!

85. Meanwhile — 86. Hee, hee! The smelter's almost up to the desired temperature! 87. Hee, hee! Ready for your dip, little fellow? And then...!

88. But suddenly — 89. Eeeeeek! 90. BÙUÙMMM!

91. Wh-what happened? Wh-what's going on? 92. You were completely out-magicked, dear hag! That's what happened! And what's going on now is that I'm reclaiming my lucky dime!

93. Very well! We're here! Now where is this grand adversary? 94. There! 95. You knocked her out — Round One! 96. Whaat?! That wasn't even a fight! 97. Grrr!! I'll teach you all for wasting my precious time!! I hope you will enjoy the rest of your lives as spiny-tailed spider-eaters! I will... 98. Uh-oh! Time to say goodbye! 99. Who's got the disk? 100.
